I'm anxious to see my family and friends but, I hate to leave my wonderful American family and friends at Astoria High. I'll never be able to describe to you how much I enjoy my stay in Astoria, the beautiful city with the friendliest people I've ever seen.

I enjoy all kinds of your activities: pep - assembly, sports, games, your active student council, Girl's League banquets, all kinds of drives and others. You really accomplish a lot. I'm glad that I get to see most of them.

A disappointing climax to the 1966-67 basketball season kept Coach Pete Bryant's varsity cagers from a second successive trip to the State A-1 Tourney, but the Fishermen nevertheless experienced a successful season, deadlocking Rex Putnam for the first half crown on their way to a 146 Metro League record. Including non-league and playoff contests, the Finns were 16-8.

After compiling a first half 8-2 record to tie the Kingsmen, the Fishermen were well on their way to another Tournament berth, needing only 1 win in the last 4 games to clinch it. They never got that all-important victory as unusually cold shooting hampered them in dropping games to David Douglas, 53-52; Milwaukie, 62-45; Douglas again, 52-45; and to Rex Putnam, 29-25, eliminating them from tourney contention.

For most of the season, Coach Bryant went along with a starting quintet of senior captain and leading scorer Mike Goin and senior playmaker and defensive ace Brian Olsvik at guards, top senior rebounder Steve Palmrose and junior Art Reith at the forward slots, and senior Bob Greenberg handling pivot duties. Reserve strength came mainly from junior forward Larry Simonsen, senior guard Pete Niemi, and junior guard John Cronen.

Closing out their basketball careers at AHS are senior Mike Goin, Steve Palmrose, Brian Olsvik, Bob Greenberg, Pete Niemi, Tod Tolan, Chuck Olson, John Hansen, John Jacobson, and Ken Parpala. Forming the nucleus for next year's squad

will be six returning lettermen: junior forwards, Art Reith and Larry Simonsen; junior guards John Cronen, Mike Springer, and Bob Huhta; and sophomore guard, Steve Putnam. With only six returnees, much of next year's success will hinge on how some of this season's talented J. V. players develop as the season progresses. Art Reith was selected by his teammates as captain for 1967-68.

Sharpshooting Mike Goin gained recognition as the only repeater on the All-Metro first team from last year, and steady Steve Palmrose earned second team honors. Both will be missed next year, but Coach Bryant is hopeful of another successful season.

Diamondmen Compile 15-9 Record

Mike Springer, voted All-Metro first team first baseman, and Steve Wilson, Astoria High's most winning pitcher and honorable mention All-Metro, helped Fishermen in their bid for a successful year.

Coach Ross Putnam's varsity baseball team compiled Astoria's best Metro League record for at least the past four years by finishing in 6th place at 6-7, and winning nine of eleven non-league contests.

All-Metro first sacker Mike Springer snared his triple-crown at Astoria by hitting .488 (21-43), knocking in 10 runs, and slapping out two homers. He also had the most triples (3), doubles (4), and put outs (85). Springer, Steve Wilson, and Dave Hearn were one in back of John Cronen in committing the least number of errors. Cronen had none.

Steve Putnam took the stolen base crown with nine, while Curt Ahola and Pete Niemi hit the most sacrifices, with 4 and 3 respectively. Springer also struck out the fewest times (twice). Curt Ahola took three strikes only once more, and was walked the most (6) along with Hearn.

Other power was supplied by Russ McCollister (2 doubles, 1 triple, 1 homer), Hearn with a homer and a triple, and Larry Simonsen with a home run.

Although Cronen had the best win-loss record in league play, 1-0, Wilson was the top hurler on the club with a final 4-4 record. Simonsen ended up 1-3 for league play.

The top highlights of the year were: victory over Central Catholic who was in a tie for first at the time and high up in the state top-ten. Pete Niemi's sacrifice bunt drove in the decisive run; and the double victories over arch-rival David Douglas, a 14-5 slaughter in the first meeting there, and a 1-0 victory at home with Cronen pitching a 1-hitter and McCollister smashing a round tripper.

Wilson, Cronen, and Hearn were labeled honorable mention by Metro coaches in the all-star selections.

Football Season Exhibits Teamwork; Six Players Make All-Metro Teams

In summing up the 1966 Fishermen football season coach Vince Dulcich commented that a "hard-nosed brand of football" was played by the team. He also voiced the hope that the same "esprit de corps" will be shown next season but, hopefully, with better success.

Plagued by several near misses Astoria didn't have one of its better years, having only three games to the victory column.

Copstead Shines As Track Finalist, Earns State Berth

A number of school records were broken by Astoria High's track team this year, and a lot of good times were recorded. Records were broken by Pat Hanlon in the javelin (196'5), George Hovden, pole vault (11'9"), Bob Jacob, low hurdles (21.0) and Dick Roberts high hurdles (15.8). Good times were scored in the 440-51.5 by Tod Tolan; 220-23.4 by Tolan; 880-1:58 by Chris Copstead; and Reino Mattila 20'9" broad jump.

Tod Tolan was this year's track leader with 105 points followed by Dick Roberts with 72½ and Bob Jacobs with 72 points. Next in line was Chris Copstead with 54½ points.

Astoria's track squad participated in a district meet at Gresham where only one member qualified for state. He was Chris Copstead, who ran the 880 in his top time, 1:58.4, in finishing fifth. Chris will participate in the State Meet May 26th and 27th, where he will be running against 21 contestants of which 8 will qualify for the finals.

Coach Ron Ricketts is looking forward to a better season next year. Members of this year's squad are seniors: Chris Copstead, who ran the 880, mile relay; Mike Goin and Bill Leonard, mile; Pat Hanlon and John Moore, javelin; Wayne Hatley, discuss and shot - put; Chris Helligso, 100 yd. dash, mile relay, shot; George Hovden, pole - vault and broad jump; Bob Jacob, 440, low hurdles, mile relay; Ron Jacobson and John Jensen, 2 - mile; Mike Ness, pole vault; Dick Roberts, high hurdles, 440 relay, broad jump and pole vault. Tod Tolan, 100-yard dash, 440, high jump, mile relay; Ken Olson, 880.

Juniors are Bob Huhta, mile, and John Olson, low and high hurdles. Sophomores include Reino Mattila, broad jump; Jack Moore 440, mile relay; 220 and 880; Robin Roberts, shot put, and Bob Wheatley, 100, 220 and broad jump.

One of the highlights of the season was the annual Football Rally game, during which the Finns toppled the record setting Washington Colonials, 19-0. Other highpoints was the victory over Rex Putnam, 19-13, and a breath-taker with Centennial from which Astoria emerged victorious, 34-0.

Six of Astoria High's pigskin brigade were named to 1966 All-Metro teams; three to the second team, and three to the honorable mention list.

Those elected for second team offensive stations, both second year lettermen, were Reg Jenkins, 228-pound senior tackle; and John Olsen, 180-pound junior fullback. Brian Olsvik, 150-pound senior halfback, was chosen second team defensive back.

All three honorable mention players were chosen for their defensive skill. Named to this team were Wayne Hatley senior, 195-pound tackle; Jon Saareheim, 160-pound junior end; and Sam Adams, 170-pound junior who was selected as line-backer.

Grapplers Plan Groundwork for Coming Year

According to varsity wrestling coach, Jon Moberg, the grappling outlook is "bright for next year, with plenty of good material coming back."

Commenting on this year's 2-13 record, Coach Moberg replied that his 1966 squad had good spirit and fine individual efforts, but was just too young to compete.

Astoria got off to a strong start by defeating Tillamook in the first match of the season, but then came up against strong opposition, until they pin-

ned Centennial in the season's last encounter.

The Fishermen grapplers are losing only two team members due to graduation, Pete Chase and Dave Heckard. After the loss of these two boys there will be eight experienced team members to rely upon for next year plus several up and coming J.V.'s.

Sam Adams would have to be considered the season's most outstanding wrestler according to Coach Moberg. Adams had a season's record of 13-2.

From the Sidelines

by
KEN PARPALA

You know I started writing this column back in September and I thought that my head, "From the Sidelines," was original. Nothing especially mind you, but I felt it got the point across. Well, last issue, while I was doing research for the column, I came across a 1963 Daily Astorian that had a sports page, sports page editor, and a sports page editor's column! I'll tell you when I read the head of Newt Schneider's column, my balloon broke. Yeah, it was "From the Sidelines." As I sit here now I'm in tears. "Oh! What a rogue, and peasant slave a I!" (Hamlet). Sorry Mr. Schneider.

One more thing I'd like to get off my chest is to apologize to Tom Kindred. In AP's last issue I made the fatal mistake of calling Tom—Tom Knutsen. Now there is a ready excuse for that mistake. Back a few years when I was participating in a golf tourney (my first and last), I was playing a Tom Knutsen. Anyway, he gave me a resounding beating (he even counted my whiffs), and thus, when it came to writing on golf, I mistakenly referred to the wrong Tom. Sorry Harry!?!?

Don't complain or talk about how bad our track team was, because this year has been one of the strongest in Metro history. Numerous times one could compare box scores between Astoria's trackmen with PIL teams, and you would find we would give many of them a good fight. Furthermore a number of Astoria records were posted over past seasons best, so quite complaining, or hit the track.

Spiros Papadimos golf's. Now uncensor me Pap!

Astoria Linksters Nab District Crown

Junior Paul Curtis shows form from tee that brought him district 2nd team position by shooting a 77.

Astoria High's Metro League golf squad shot a 5-5 record, good for a fifth place finish in Metro League play with a 9-5 record for the total season.

Inconsistency plagued this win more than two consecutive meets. After losing two tough matches towards the end of the season to Central and Douglas that put them out of championship chances, the Fishermen won their final two meets over Milwaukie and Putnam.

Despite the poor showing in Metro play, the Astoria linksters burned the Glendover course with a 309 to capture the District Crown. The following week was not as glorious for the hometown clubbers. After 18

holes the top four Fishermen compiled 328 strokes, which put them in the middle of the pack. On the second day out, they shot a 226 for a total 554 for 21st place in the tourney.

Three Astorians gained recognition following the district meet.

Mark Eddy who shot a 75 to lead the squad at district, was chosen to 1st team Metro, along with being named to the district All-Stars. Paul Curtis and Tom Kindred, each with 77's at district, landed 2nd team berths. This was a building year at Astoria, with all but one of the lettermen returning next year. Curtis, Kindred, Art Reith, Cur McNeely, and Vic Horgan all return next year.
